General Tournament information's

Tournamentdesk:

The tournament desk is located on the ground floor directly next to the stairs.
Responsible crew for the planning and execution of the tournament:
Michael Gäde, Natalia Kotkolik und Christian Wucherer

The Tournament Referee is Wilhelm Eickworth.

All rules as stated in the official entry form and ESF regulations apply.
All results will be displayed in the center and online (Tournament Software).

Games & Starting times

Be aware that the matches will not be announced when they start. This means that each player is personally responsible to be in time at the designated court for his game. This also implies that if previous matches cause a delay or finish early the player has to be present as soon as the preceding match is finished.

After the match, BOTH players have to ref the next match. After finishing refereeing, the refs are asked to bring to score sheet AS SOON AS POSSIBLE to the tournament desk. In this way, delays can be prevented.

Courts:

The tournament will be played on all courts 1-14 and Glasscourt

Bags

Since all courts will be used for the tournament, there will not be a room to store your bags. Therefore, we kindly ask you to place them in a neat manner. With 400 people in the center, it otherwise might be messy and packed. Be aware that we do not take responsibility for your belongings. Valuables should be stored in our lockers.

Physiotherapy:

The physiotherapist, Rösi Bittner, is located in the Wellness area. Please contact via the tournament desk.

Wellness area closed!

The spa area with swimming pool and sauna can not be used by GJO participants. This area is reserved exclusively for our fitness clients. We ask all trainers and supervisors to inform their players accordingly and to ensure compliance with this rule. Unfortunately, this is a necessary measure after the experiences of the first years!

WIFI ONLY for trainers and supervisors:

Every trainer or supervisor gets access to the internet with ONE device (laptop, tablet or smartphone). Since we offer a Livestream during all days and in order to make the internet work well for trainers and the tournament organization it is unfortunately NOT possible to provide everyone with access.

+++ Please don't share the access +++

In the tournament hotel free WIFI is provided for everyone. For your access in the center, contact the reception desk.

Livestream:

For all matches played on centercourt a livestream is available. The YouTube-link can be found on the frontpage of the tournament website: <http://www.german-junior-open.de>.

Workplace for coaches

In the restaurant, we reserved a workplace for the coaches. Two tables with powerplugs are situated directly on the right when entering the restaurant. Use them whenever you need them, but please when your work is finished move somewhere else. In this way, your fellow coaches can also use this area to their needs.
