WELCOME TO REFFEN

You've been through the program; had the white tier dinner and eye strains from the conference room – isn't time for a change of scenery?

You may also be in the need of the right location to gather all your favourite people – sometimes it's just a challenge to find that one place that fits all.

Then come and spend your time with us!

At Reffen we have our arms open; ready to welcome you! We are for you, who wish for a different and casual setting. For you, who love street food of high quality and of a sustainable agenda. You, who are into creative workshops and snug corners with room for differences.

At Reffen we love ear-to-ear smiles – and that's why the opportunities at Reffen can be combined any way you want. All we want, is that your visit turns out exactly as you imagined beforehand.

Book your next trip to Reffen at salg@reffen.dk

And make sure to continue your readings – we've gathered all the info you can't miss on these next pages:

1. BOOK A BENCH

ARE YOU A LARGER GROUP?

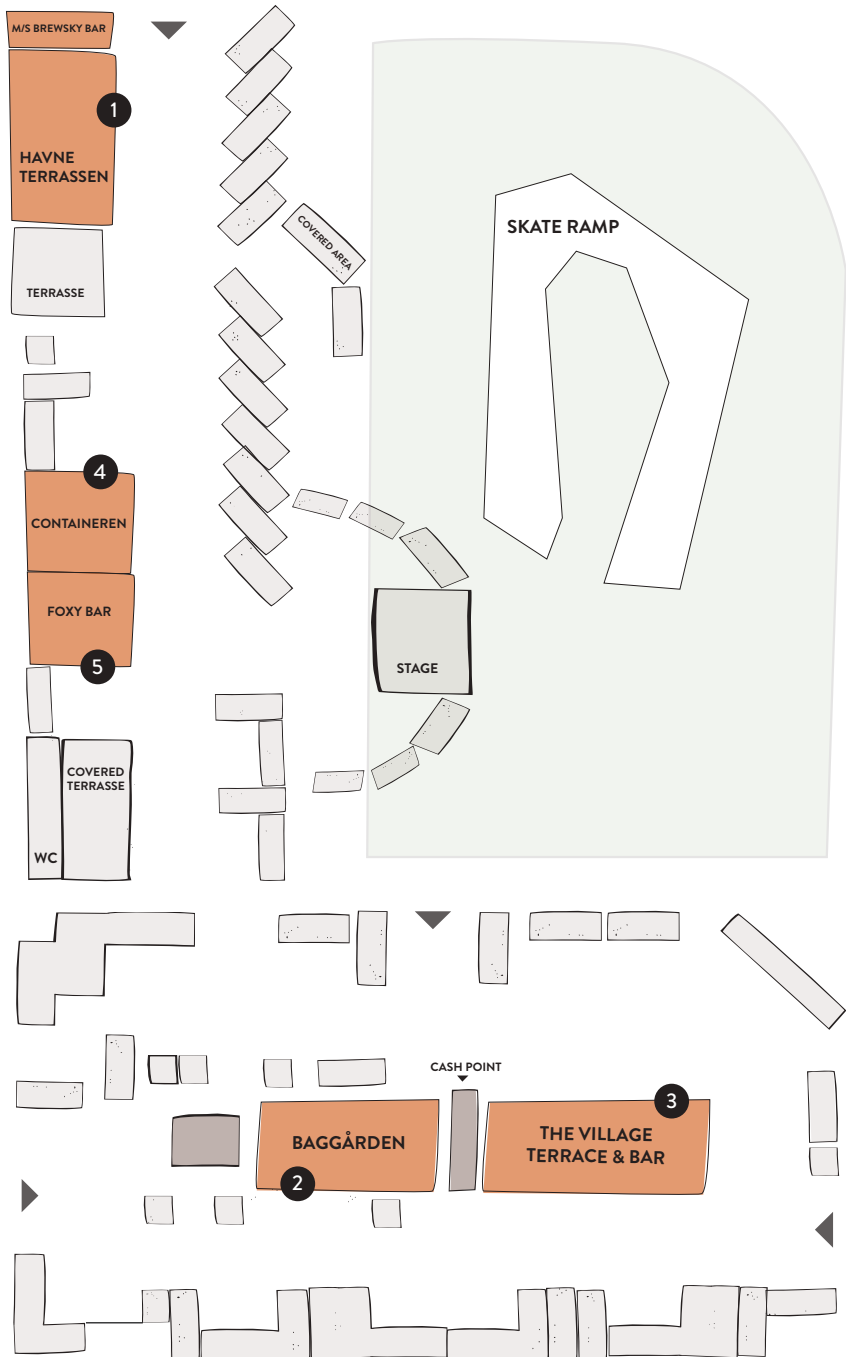

Let's book you a bench!

We'll have a table in our Greenhouse ready when you arrive. Sit down, inhale the fresh, informal market air and focus on what's truly important in life: laugh, have a toast for life and enjoy each other's company!

Use the bench as your hangout; go explore the market, fall for the street food kitchens many temptations and have a bite – this time, you'll always have a bench to return to.

Combine the bench and “Here's to you – toast at Reffen”.
You won't regret!

2. BOOK AN AREA

THE BOTH-AND-SOLUTION

Do you want slightly more privacy? We'll find you an area!

At Reffen, we love parties – are you celebrating an anniversary, a birthday or cheering for love, for everyday life or for your co-workers? Do it with us!

We'll book you an area; customise the setting, so you can have your own breathing space – and at the same time have Reffen at your feet; ready to be explored.

That's why we call it the both and-solution: You get to enjoy the pulsating energy of Reffen – and at the same time have an area that's yours only for the time being.

At Reffen you can easily have your cake and eat it.

LARGE AREAS:

- 1 **Havneterrassen:**
min 100 / max 150
- 2 **Baggården:**
min 80 / max 130
- 3 **Village Terrace & bar**

3. GO EXPLORE THE ADVENTURER CARD

ORDER FOOD FROM 40 DIFFERENT FOOD STALLS - GET JUST ONE BILL

Grasp Reffen's adventure gift card, set the compass and take a trip from Denmark to Mexico, Africa, India or Japan. Taste your way through the 17 different nationalities, treasure hunt in the creative workshops and explore Reffens vibrating and casual atmosphere. Lounge in the snug corners and enjoy life.

With the adventurer gift card at your hand, you and your group will have the liberty to choose individually; the liberty to indulge yourselves and your taste buds, as each of you prefer. As a group you can order exactly as many adventurer gift cards, as you wish and deposit exactly the amount that suits your group – and of course the cards come with one overall bill. Countless opportunities and only one overall bill. Does it get any easier for an adventurer? The adventurer card may of course be combined with “Book a bench”, “Book an area” and “Here's to you – toast at Reffen”.

4. TOAST AT REFFEN

5. BUTLERSERVICE

SIT DOWN WITH REFFEN

As the icing on the cake, Reffen makes a dream come true for those of you, who have always imagined being able to snap your fingers and summon your very own “James”. We arrange a table for you and your group, you choose from the menu beforehand and put together your ideal meal – and Reffen’s butlers will be fresh and alert; ready to serve you.

You might prefer a unique banquet on benches – or maybe fancy a tasty, standing reception with countless of finger foods. Butler Service will let those of you who prefer to jump the queue instead of joining it do so with an honest heart – and at the same time it benefits those who appreciate a perfectly customized menu. And who doesn’t?

A list of the street food kitchens that offer Butler Service – and what dishes they have on their menu – are attached to this text. Remember that as a minimum 10 dishes must be ordered from each kitchen. Once in a while our kitchens run into a max capacity – so give us a call and we’ll help you to tailor the perfect menu for your company.

The menu you put together must be ordered 14 days before we’ll see you at Reffen – this will help our butlers and street food kitchen be prepared to their fingertips. We recommend a butler per 12. Guests – and the price is DKK 255.- (ex VAT). A fair priced butler, right?

The Small Print

Guests, that faint because they haven’t had enough to drink? Those, our butlers can’t save, and that’s why it’s obligatory for your company to purchase drinks to your dinner. Our street food kitchens are quality conscious, and they work as fast as they can. Are your dishes delayed nonetheless? We hope you’ll enjoy the atmosphere and your company, while we get your orders ready in a jiffy.

As a minimum you must make use of Butler Service for 4 hours – but obviously, we hope you will want to stay on your own for much longer. Stay with us until the sun sets!
