1. Colour in the panels on this side

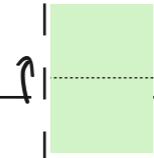

2. Turn this side over so it's face down

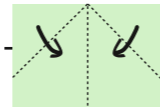

3. Fold the longest side of the menu in half

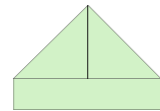

4. Now fold the new longest side in half again

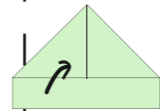

5. Unfold so its only been folded once (as per step 3)

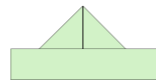

6. Rotate the paper so the fold of the paper is at the top

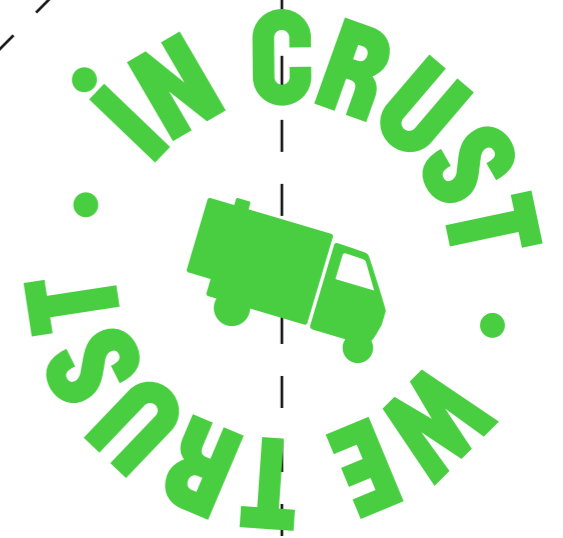

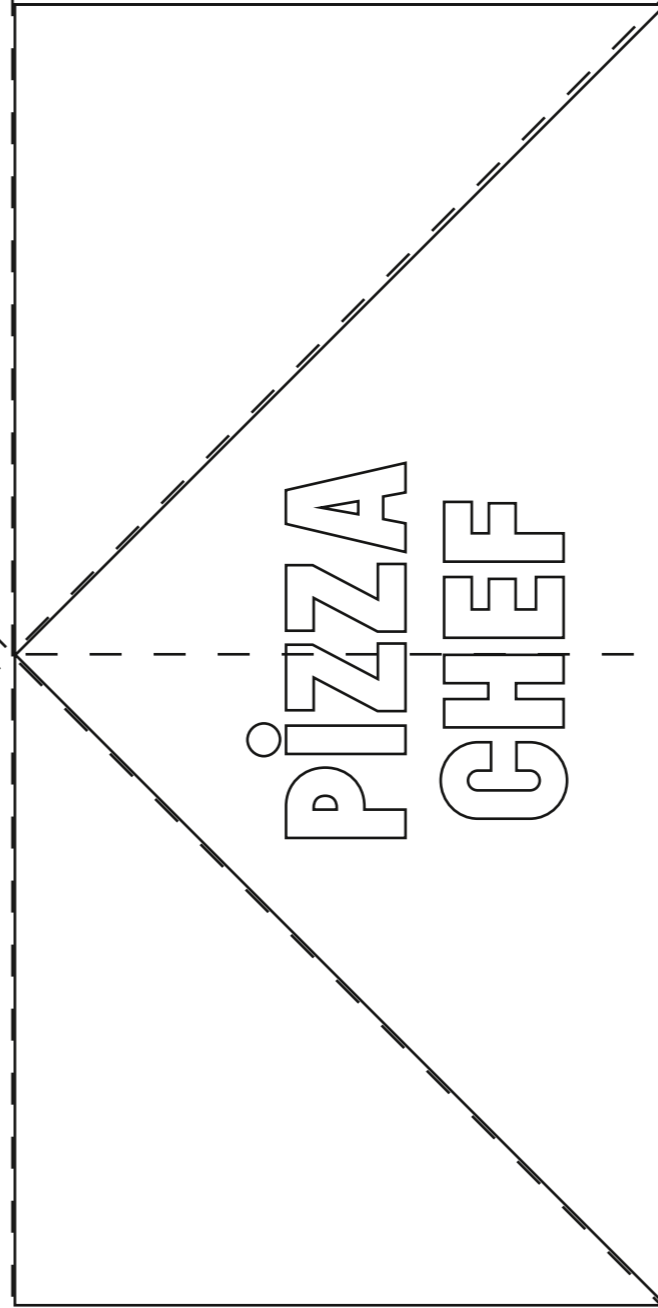

7. Fold the top corners down into the middle line, making sure to keep them even

8. Fold the bottom flap up

9. Flip over and fold the other bottom flap up so it's ready to wear!
