Prashad

means Blessed food

As a family we have been passionately living within Prashad for 3 decades. As we have got older the business has changed from an artisan local deli to an established fine dining restaurant.

We are still very much right in the middle of it and love every minute. Minal my wife and head chef, through her 15yr tenure has successfully attained a 2 rosette and bib gourmand standard, we are not standing still and the innovative juices are always flowing.

Our philosophy is to showcase our Gujarati culinary heritage within a fine dining ethos.

Our tasting menu is a true reflection of who we are.
We look forward to taking you on our journey,
whilst caressing your taste buds.

Bobby & Minal
