It was during that bygone Indian summer, as I was enjoying another superb dish prepared by Nani, my Grandma, in the gentle, cooling breeze wafting over from her Panka...

I realised then that a great meal can be elevated to a truly memorable experience with good company and the right ambience. That perfect combination has been the guiding principle at the heart of Panka Walla from day one – a place to enjoy innovative, finely crafted dishes with an atmosphere and service to match.

And if you already have the company and ambience at home, we can deliver the same exceptional food right to your door.

Either way, you are our priority.
