Welcome to the Watermill Café.
The Café is located in what was originally part of the bakery in Skerries Mills.

The tradition of home made food is still carried on today with fresh scones, brown bread, pastries, chicken and soup being made in our kitchen every day. The menu offers a wide variety of food which is produced to order (it may take a bit longer but we believe its worth it) The most pleasing aspect of the food is its ultra-fresh, simply prepared and full of zest and given the quality, it is also good value.

PROVENANCE

Skerries Mills is delighted to source as many products from local providers as possible. Our stone ground flour is supplied by Martry Watermill in Kells, vegetables and fruit by McCormack's in Rush, the craft beer by Brú Brewery in Trim, our tes & hand roaster coffee by Java Republic in Dublin & many others.
